ABOUT YOUR BIA

A Business Improvement Area (BIA) is an association of commercial property owners and tenants within a defined area who work in partnership with the City to create thriving, competitive and safe business areas that attract shoppers, diners, tourists, residents and new businesses. The Parkdale Village BIA was established in 1978 and represents the vibrant commercial strip along Queen Street West from Dufferin Street to Roncesvalles Avenue.

OUR MISSION

The Parkdale Village BIA is committed to improving and promoting the Parkdale Village area through investment and advocacy to maintain its position as one of Toronto's unique destinations for shopping, business, and experiencing diverse culture and entertainment.

BIA PROMOTIONS & EVENTS

The PVBIA promotes your business or organization through our web directory, monthly newsletter and active social media accounts. In addition to our branded balloons and bags, we also produce and distribute community brochures and support and sponsor a number of community events.

The BIA Community Festival & Event Fund supports local events by providing funding, access to event equipment, helping navigate city application processes or Sidewalk Sale permits. If you have a local event within the BIA that you would like to submit, please visit our website to fill out a Request for Funding Application form. If you have a Parkdale Village event you would like us to help promote, **simply tag us online via Facebook, Instagram or Twitter and we will review that request.**
